

The image shows the top portion of a software interface for 'Collision FX Cinematic Scoring Tool'. It features a dark background with various audio-related icons and controls. At the top left, the text 'COLLISION FX' is displayed in a large, white, sans-serif font, with 'CINEMATIC SCORING TOOL' in a smaller font below it. To the right, there are several circular meters with red needles and dashed outer rings. Below these meters, the words 'Bass', 'Bright', and 'Mix' are visible, along with a percentage value '26.7%' under 'Bright'.
